

Dear Rhonda,

I hope this note finds you and your family well and having enjoyed a lovely Father's Day. Can you believe it, the roses are still looking beautiful. Thank you so much.

Now that the dust has settled, I want to thank you for all your help selling the Florida property that had been in our family for over 40 years. I suppose that if either my brother or I lived in the Naples area, you could expect a real estate agent to provide basic services to help sell a property. We, on the other hand, both reside outside of Florida.

I was charged with selecting a real estate agent to help us sell the condo. As I am sure I told you, I asked a friend who had lived in Naples for some ideas of who to call to help us out and your name came back as the agent we should use. The description was that you were honest and trustworthy and that that you knew the market and would treat us fairly. They were right on every count and I couldn't be more grateful.

You took the reins on my request and we had our offers within a couple of weeks despite waiting until mid-April to get it on the market. Clearly you understood the value of the property and given its condition, we did well. Again, thank you.

It was great meeting you during my short trip for my last visit to the apartment. It was most helpful to see some of the other apartments for sale in the building. It helped me understand what it would take to get the place up to snuff. Lunch at Turtle Bay (am I remembering the name correctly?) was beyond delightful. I so enjoyed getting to know you and now I feel like I have a friend in Naples. Once again, thank you.

My best wishes for a wonderful summer and great success in your real estate career moving forward. I will happily recommend you to anyone buying or selling property in Florida. I know that they won't go wrong with you guiding them- we sure didn't.

Thank you, one more time, for all your efforts on our behalf.

Kind regards,

Hi Rhonda,

Paulette and I want to thank you for your assistance, professionalism, and dedication as you helped with both the sale of our existing home and the purchase of our new home. Hi Rhonda,

I do want to thank you for handling the sale of my home. Your experience and professionalism made it a worry free experience for me while I was 800 miles away. Your advice was solid and it was appreciated. I just can't say enough good things about you, your professionalism, your thoughtfulness, and your kindness. Thank you again for everything!

Rhonda returned my call immediately after I submitted an inquiry for a property I was interested in on her website. From listening to my needs and wants and showing me a variety of properties, to negotiating a great deal, to connecting me with an amazing mortgage lender, Rhonda made the entire process as stress free as possible for an otherwise stressful process of home buying. Her level of professionalism, and ease of communication are second to none. I would highly recommend Rhonda to anyone looking to make a home purchase in SWFL.

Hello Rhonda,

We felt we were in great hands as you managed our recent new construction purchase and sale of our existing home! We appreciated your calm demeanor, professionalism, patience and encouragement throughout the entire process. Additionally, you were very accessible for questions and assistance, and you related very well to our children and even to our dog. You became a part of our family and spent a lot of time in our home diligently showing it until it sold. We are very happily settled into our new home, and we are very thankful to you. We recommend you without hesitation.

Hi Rhonda,

I wanted to thank you for your part of the purchase transaction on behalf of the Mulholland's. My wife Michelle and I are very pleased with our new home and look forward to many years of use for our family.

I must say to you that your youtube video was quite the presentation and quite honestly was the driving force in our decision.

Maybe someday soon we can meet and can thank you in person.

Best wishes

Rhonda,

I want to tell you what a wonderful experience it has been to work with you a Second time in my life, buying and selling a home. We often do not get a chance to work twice with a realtor, but in my case it has been a pleasure. You have been very professional though out both transactions , first for Wayne and I, and the second time around just myself. You could have not been more helpful on all of the transactions, including helping me to dispose of my personal belongings. You have gone over and above the normal real estate requirements to help through a very trying time. Thanks again for being there and guiding me through all the necessary steps. You never know what is around the next corner, I may be back again!

Best Wishes to You and your family!

Rhonda,

Thank you VERY much for the outstanding job you did -- and have done in the past -- for us. We are so excited to own another condo in the Sanctuary, and maybe I can talk Jim into buying another soon...(no,

we'll need a few years...). If we have any family or friends that need r.e. services, we will definitely direct them your way. Thank you again and keep in touch.

Amy & Jim

Rhonda,

We left a gift for you at the S.Brook gatehouse, a small token of appreciation for all you have done for us. You are not only a great, professional real estate agent, but also a great person. It is good to know people like you.
